Sociedade Brasileira
de Nefrologia

Sexta-feira, 10 de maio

08:20 - 08:30h

Opening Remarks

Moura Neto

Christopher Chan

08:30 - 10:00h

Hemodialysis practice: know your machine.

Madhukar Misra

08:30 - 10:00h

Personalized therapy and application of evidence-based medicine for hemodialysis.

Bernard Canaud

08:30 - 10:00h

Vascular access for hemodialysis: what is new?

Domingos Chula (PR)

08:30 - 10:00h

Q&A

Fernanda Gorayeb (SP)

Dirceu Reis (RS)

10:00 - 10:30h

Coffee break

10:30 - 12:00h

**Hemodialysis
prescription:
know how it all
works.**

Madhukar Misra

10:30 - 12:00h

**How to begin a
quality program
improvement
project focused
on hemodialysis.**

Christopher Chan

10:30 - 12:00h

Predictors of mortality in hemodialysis. How to modify them?

Maria Eugênia Canziani (SP)

10:30 - 12:00h

Q&A

Moura Neto

Juliana Leme (PR)

14:00 - 15:30h

Home hemodialysis: insights and challenges.

Christopher Chan

14:00 - 15:30h

Frontiers in hemodialysis: innovations and technological advances.

Andrew Davenport

14:00 - 15:30h

Hemodialysis in elderly patients

Rosilene Elias (SP)

14:00 - 15:30h

Q&A

Ana Flávia Moura (BA)

Ciro Costa (GO)

15:30 - 16:00h

Coffee break

16:00 - 17:30h

Acute Kidney Injury Biomarkers: how to use for prevention and clinical management.

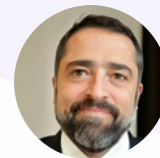

Luís Yu (SP)

16:00 - 17:30h

**CRRT: starting,
transitioning and
withdrawing.**

Pedro Túlio (RJ)

16:00 - 17:30h

**Peritoneal dialysis
for AKI: is it
possible to
achieve adequate
clearance?**

Daniela Ponce (SP)

16:00 - 17:30h

Q&A

Lúcia Andrade (SP)

Eduardo Cantoni (SP)

Sábado, 11 de maio

08:00 - 09:30h

Advances in fluid and hemodynamic management in hemodialysis patients.

Bernard Canaud

08:00 - 09:30h

Volemia evaluation in hemodialysis patients: tools and challenges.

Guilherme Taffuri (RJ)

08:00 - 09:30h

Hypertension in hemodialysis: current treatment and new opportunities

Cibele Rodrigues (SP)

08:30 - 10:00h

Q&A

Pedro Túlio (RJ)

Lilian Carmo (MG)

09:30 - 10:00h  **Coffee break**

10:00 - 11:30h  **What can we learn from the CONVINCE study?**

Andrew Davenport

10:00 - 11:30h  **Nocturnal hemodialysis: prescription and management of the main adversities**

Cláudio Luders (SP)

10:00 - 11:30h  **Expanded Hemodialysis, a disruptive modality.**

Thiago Reis (SP)

10:00 - 11:30h  **Q&A**

Ana Flávia Moura (BA)

Daniel Calazans (RJ)

11h30 - 12:00h  **Closing section**

Moura Neto
